THE Louisville Argus remarks: If it should turn out to be true that Craft and Neal are not guilty of the crime for which they are under sentence of death, the mob law theory will receive a heavy blow. And it should be remembered that all three of the men would have been in their graves long since, without the benefit of a trial, had it not been for a battalion of the Kentucky State Guard—feather bed soldiers, as some extreme anti-military people, who never smelt powder and never will, delight to term them.

Dr. Frazier's Root Bitters.

Frazier's Root Bitters are not a dram-shop whisky beverage, but are strictly medicinal in every sense. They act strongly upon the liver and kidneys, keep the bowels open and regular, make the weak strong, heal the lungs, build up the nerves and cleanse the blood and system of every impurity.

For dizziness, rush of blood to the head, tending to apoplexy, dyspepsia, fever and ague, dropsy, pimples and blotches, scrofulous humors and sores, tetter, ring worm, white swelling, erysipelas, sore eyes and for young men suffering from weakness or debility caused from imprudence, and to females in delicate health, Frazier's Root Bitters are especially recommended.

Dr. Frazier: I have used two bottles of your Root Bitters for dyspepsia, dizziness, weakness and kidney disease, and they did me more good than the doctors and all the medicine I ever used. From the first dose I took I began to mend, and I am now in perfect health, and feel as well as I ever did. I consider your medicine one of the greatest blessings.
